Coursera UI/UX Courses

You can explore top university UX courses for free by auditing (without certificates). Great for learning theory, design thinking, and practical UI/UX skills at no cost.

The screenshot displays the Coursera website interface for the Google UX Design Professional Certificate. The browser's address bar shows the URL: coursera.org/professional-certificates/google-ux-design?utm_medium=sem&utm_source=gg&utm_campaign=b2c_india_google-ux-design_google_ftcof_professional-certificates_cx_dr_bau_g.... The navigation bar includes links for 'For Individuals', 'For Businesses', 'For Universities', and 'For Governments'. The Coursera logo is followed by 'Explore' and 'Degrees' dropdown menus, a search bar with the placeholder 'What do you want to learn?', and 'Log In' and 'Join for Free' buttons. Breadcrumbs indicate the path: Home > Browse > Computer Science > Design and Product. The main content area features the Google logo, the course title 'Google UX Design Professional Certificate', and a description: 'Get on the fast track to a career in UX design. In this certificate program, you'll learn in-demand skills, and get AI training from Google experts. Learn at your own pace, no degree or experience required.' The instructor is listed as 'Google Career Certificates' with a 'New AI skills' badge. A blue button says 'Enroll for free Starts Dec 3'. Below this, it states '1,325,741 already enrolled' and 'Included with Coursera Plus • Learn more'. At the bottom, a white box contains five key features: '8 course series' (Earn a career credential that demonstrates your expertise), '4.8 ★ (86,057 reviews)', 'Beginner level' (Recommended experience ⓘ), 'Flexible schedule' (6 months at 10 hours a week, Learn at your own pace), and 'Build toward a degree' (Learn more).
